September 21 Meeting Report

Mayor's Advisory Committee on Sustainable Newton

The regular monthly meeting of the Mayor's Advisory Committee on Sustainable Newton was held on Tuesday Morning, September 21, 2010 at 8:00 a.m. in Room 202, second floor, Newton City Hall, 1000 Commonwealth Ave.

Attending: Peter Smith (Chair), Sharyn Roberts, Michele Davis and David Tannozzini.

- 1) August meeting notes reviewed and accepted as minutes.
- 2) Peter inquired as to a possible Large Scale Solar installation at the Rumford Avenue Resource Recovery Center. David provided update and that a RFQ is being prepared and will be posted on City website at www.ci.newton.ma.us/purchasing/current_bids. (See Bid #11-17). A discussion ensued about putting solar on the efficacy of solar electric installations on Newton's "big box" store roofs as well as the proposed Chestnut Hill Square and Riverside developments.
- 3) The October 10th 350.org event was discussed.
- 4) The future agenda of Sustainable Newton was discussed and Peter noted he has met with Mayor Warren as have Eric Olson, Energy Commission Chairman and Alderman Sydra Schnipper, Solid Waste Commission Chairman.
- 5) Sharyn updated the Committee on the two upcoming water forums at the Library (9/21/10 and 10/26/10).

Meeting adjourned at 9:00. Respectfully Submitted, David Tannozzini 101910agenda.doc

PLANNING RESOURCES (NOT PART OF AGENDA)

Recommendations for Newton's Green Building Policies

May, 2010 report: "This report represents the work of four WPI undergraduate students submitted to the faculty as evidence of completion of a degree requirement. WPI routinely publishes these reports on its web site without editorial or peer review."

Green Communities – Guidelines for Qualifying as a Green Community:

(www.mass.gov/Eoeea/docs/doer/gca/FINAL%20GC%20Qual%20Criteria%2071009.pdf)

Sustainable Waste Management Collaborative (SWMC) presentation by Architect Jay Walter. Recommendation is Mr. Walter contact Board of Alderman Public Facilities Committee Chair [Alderman Sydra Schnipper](#). Action: referred to [Solid Waste Commission](#). (02/09)

David Del Porto's 12/23/08 letter to Mayor Cohen Recycling in public buildings. (SN1208)

Citizen Advisory Group (CAG) (SN1108)

Communication received from Kevin Dutt introducing Professor Kent Portney of the CAG. Per August meeting: Mike Kruse discussed his meeting with "Citizen Advisory Group" member Kent Portney. They discussed Sustainable City Practices. Mike apprised the committee of Professor Portney's bio and how he could be a valuable resource for the committee.

From www.ci.newton.ma.us/CitizenAdvisoryGroup/Member%20Biographies.pdf :

"Kent Portney – Kent Portney is a Professor of Political Science at Tufts University. He has written extensively and conducted research on issues of local sustainability policies and programs in cities across the United States. His book *Taking Sustainable Cities Seriously: Economic Development, the Environment, and Quality of Life in American Cities*, was published by MIT Press in 2003 Mr. Portney has lived in Newton for 22 years."
